

Weddings at Kilconquhar Castle Estate

Kilconquhar Castle Estate has over 15 years of experience in planning and organising weddings. Whether you are having a very intimate wedding with close family or friends or a grand gathering from all over the globe we would be delighted to host your special day.

The estate offers 2 venue rooms for your wedding, and 120 acres of manicured gardens and woodlands offering perfect opportunities for the all-important wedding photographs.

The Lindsay Room offers an excellent impression from the moment you step through the doorway into the main castle building, you enter the flagstone foyer and pass the intricately carved doors into the baronial Lindsay Room with its 16th century oak panelled walls, ornate ceiling and large open stone fireplace. The Lindsay Room seats 90 guests for a wedding service, 60 guests for a wedding meal and up to 70 guests for an evening reception.

The Marquee is perfect for the larger occasion; our luxury marquee lined with champagne silk is a stunning and elegant venue, with full amenities and luxury carpet throughout. The marquee glistens courtesy of the sparkling chandeliers that twinkle above our hardwood dance floor where 70 to 200 guests can share the experience of your bespoke wedding. Due to the heating system in the marquee it can be used for weddings from January to December. The Marquee can host a wedding meal and evening reception of up to 200 guests.
